As a dedicated Computer Science and Engineering student, I prioritize high-quality work and continuous personal growth. I have a proven ability to quickly acquire technical skills, adapt seamlessly to new roles, and approach tasks with diligence and integrity. My strengths lie in problem-solving, teamwork, leadership, and effective communication. With a focus on innovative solutions, I am committed to adding significant value in every role through critical thinking and a results-oriented approach.

WORK EXPERIENCE

Damex Digital Ltd.
